# INVESTMENTS IN FISH PROCESSING FOR PRODUCT INNOVATION

Keohane Seafood Ltd is a processing company supplying fish to national and overseas markets (France, Germany, UK, USA, UAE), as well as to nearby restaurants and hotels. The company specializes in fresh and smoked fillets, shellfish, and fresh and frozen microwaveable ready meals. The company has a strong commitment to sustainable sourcing of both raw material product and materials used in packing its products.

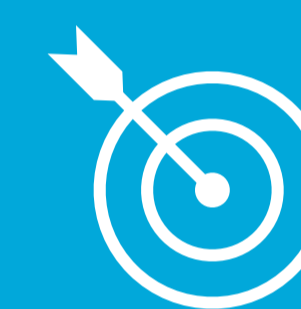

The company received support to develop and equip a 20,000 square foot state-of-the-art fish processing facility, enabling the company to guarantee production of innovative high quality products.
